Communication

President

When attempting to communicate an idea, one cannot afford to be lazy. Language was invented for one reason - to woo women. In that endeavor laziness will not do, it also won't do in your essays.

Collaboration

Research

So What?

What did we learn?

- Utilization of peer-reviewed sources and journals
- How to conduct academic searches
- Synthesis of research-derived papers
- Presentation of extensive research to lay people
- Process of efficient research

Now What?

How will we use what we learned?

- Apply to coursework and research papers in college, academia, and abroad
- Collaborate with peers and friend groups on research projects
- Synthesize research and argumentation for a variety of settings in college
- Efficient searches of academic databases to preface extensive research
- Ascertaining a variety of viewpoints to augment a perspective
